21 URGENT BUSINESS as permitted by the Local Government Act 1972

For a matter to be considered 'urgent' the following question must be addressed: *What harm would happen to the public interest from leaving it until the next meeting?* If harm can be demonstrated, then it is open to the Chairman to rule it is considered as urgent. Otherwise the matter cannot be considered urgent within the statutory provisions and notice can be given for the item to be placed on the next agenda.
